

The Code Enforcement / Inspection Department is charged with assuring compliance to International Building Codes as well as the City's Code of Ordinances. The department is comprised of a building official and two code enforcement / animal control officers. The building official is responsible for performing compliance inspections on buildings under construction or renovation. The code enforcement division also oversees the city's demolition program to rid neighborhoods of dilapidated, dangerous structures. The code enforcement officers investigate complaints about improperly maintained properties, rental inspections, abandoned vehicles and other nuisances. The inspection department also issues all building permits. Animal control issues are also addressed through this office.

The mission of the Inspection and Code Enforcement Division is to promote, protect and improve the safety, health and welfare of our citizens. We accomplish this by providing effective enforcement of city codes.

Frequently Asked Questions

Related Questions

What should I do if I receive a notice of violation?

Contact the Code Enforcement Officer who signed the notice. The officer will be happy to assist you in resolving the situation.

What happens after I report a code violation?

A code enforcement officer will investigate the alleged violation(s). Pictures and a notice are sent to the property owner after investigation. Please note investigations are prioritized due to level of urgency and case load. The property owner is given seven days to make corrections. Extensions may be granted to property owners in special circumstances. If corrections are not made, a summons to the Municipal Court is issued. The matter is then

handled by the municipal court judge.

How do I report a code violation?

To report a code violation use the Fix-It Bluefield App or [click here](#).

Why do I have to maintain the sidewalk and the grassy area between the sidewalk and the street adjacent to my property?

Sidewalks are maintained by the adjacent property owners per the City Code of Ordinances Chapter 34. Maintenance of the portion of the public right-of-way, between the sidewalk and the edge of the street (often known as the parkway), is the responsibility of the owner of the adjacent property. This includes mowing the grass, edging, trimming shrubs and keeping the area free of trash and debris.

Who is responsible for code violations on a rental property?

Ultimate responsibility falls to the property owner to ensure the rental property is maintained and meets code requirements. It is recommended that tenants include a property maintenance schedule and responsibilities within their lease.

How do I get the City of Bluefield to pick up a large pile of debris or trash?

The City of Bluefield offers special trash pick-up service on demand. Please call 304-327-2401 for service. Additional fees may be incurred.

How many animals can I own if I live in the city limits?

Residents are allowed to own three animals per City Code of Ordinances Chapter 4. All dogs must be tagged with the City of Bluefield. Dogs tags can be obtained at the Municipal Building.

Will the City of Bluefield take care of my wildlife problem?

Wildlife issues are to be handled by licensed agencies and the West Virginia Division of Natural Resources. Please contact one of the following should you need assistance:
